Architectural Control

No building, improvement, construction, excavation, fence, wall, swimming pool or spa, exterior lighting, swing set, play equipment, statues, lawn ornaments or other non-living landscaping... ornamentation device, or other structure shall be commenced, erected, altered or maintained upon any Lot, nor shall any exterior addition to or change or alteration of any Dwelling Unit be made until one (1) set of plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing by the Architectural Control Committee as to (1) harmony of external design and location in relation to surrounding structures and topography, and (2) the standards and guidelines established by the Architectural Control Committee from time to time. All approvals shall be requested by submission to the Architectural Control Committee of plans and specifications in duplicate, showing the following:

The Dwelling Unit, and other improvements, access drives, and other improved areas, and the locations thereof on the site;

All exterior ornamentation;

Plans for all floors and elevations, including projections and wing walls;

Swing sets, playsets, basketball hoops, and play equipment;

Walls, fencing, and screening;

Patios, decks, pools, and porches.

Neither the Developer, the Architectural Control Committee, the Association, nor any member, officer or director thereof, nor any of their respective heirs, personal representatives, successors or assigns, shall be liable to anyone by reason of any mistake in judgment, negligence, or nonfeasance arising out of or relating to the approval or disapproval or failure to approve any plans so submitted, nor shall they, or any of them, be responsible or liable for any structural defects in such plans or in any building or structure erected according to such plans or any drainage problems resulting therefrom. Every person and entity who submits plans to the Architectural Control Committee agrees, by submission of such plans, that he or it will not bring any action or

suit against the Committee, the Association, or the Developer to recover any damages or to require the Committee or the Developer to take or refrain from taking, any action whatever in regard to such plans or in regard to any building or structure erected in accordance therewith. Neither the submission of any complete sets of plans to the Developer's office for review by the Architectural Control Committee, nor the approval thereof by that Committee, shall be deemed to guarantee or require the actual construction of the building of structure herein described, and not the buildings or structures described therein. adjacent Lot Owners may claim any reliance upon the submission and/or approval of any such plans or the buildings or structures described therein.

The original Architectural Control Committee shall consist of three (3) members: Justin Kuhn, Heather Kuhn, and Carrie Jo Haas. A majority of the Committee may designate a representative to act for it. In the event of death or resignation of any member of the Committee, the remaining members shall have full authority to designate a successor. The Developer shall serve as the Architectural Control Committee until residences are constructed on all Lots in the Subdivision at which time the Board of Directors of the Association shall serve as the Architectural Committee. In the event said Board, or the Architectural Control Committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed satisfied.

ARTICLE 4

Membership and Association Control

Section 1. Organization. There has been organized in connection with the development of Makarios Place, and its various sections, an incorporated not-for-profit association known as Makarios Place Association Inc (the "Association").

Section 2. Membership and Voting Rights. Every Owner of a Lot shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

Section 3. Classes of Membership. The Association shall have two (2) classes of voting membership:

Class A. Class A members shall be all Owners, exclusive of the Developer & Builder. Owners shall be entitled to one (1) vote for each Lot owned.

Class B. The Class B member(s) shall be the Developer, and shall be entitled to thirty-eight (38) votes for each Lot owned in the Subdivision. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs first:

When title to all lots in all sections of the Subdivision has been conveyed, or

On December 31, 2033.

Section 4. Membership Transfer. Membership in the Association will transfer from the Developer or its successor in interest to the Owner upon delivery of the Deed to Owner's Lot.

Section 5. Continuing Memberships. The Owner of any Lot shall continue to be a member of the Association so long as such Owner continues to be the Owner of a Lot for the purpose herein mentioned. Membership shall pass with the transfer of title to the Lot.

Section 6. Transfer of Membership Rights and Privileges in the Association. Each Owner, and in lieu thereof, (and with the written consent of such Owner to the Association) each lessee of a Lot shall be a member of the Association and have the right to the Owner's vote and privileges. Membership, where assigned to a lessee, will pass with the lease, except if the Owner withdraws his/her consent in writing to the

Association. The Owner may withdraw his/her membership assignment to any lessee in his/her discretion by issuing a sixty (60) day notice in writing to the Association. No assignment of membership shall relieve an Owner of the Lot from the obligation to pay any assessment authorized by these Restrictions.

Section 7. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot, excepting Developer (or any builder temporarily exempted from assessments by the Developer), by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments; (2) special assessments; (3) Club assessment (if applicable); and (4) Tax Recoupment Assessment. Such assessments shall be established and collected as hereinafter provided. The annual, special, Club and Tax Recoupment assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge and a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to an Owner's successors in title unless expressly assumed by them.

Section 8. Purpose of Annual Assessments. The annual assessments levied by the Association shall be used exclusively to promote the recreation, health, and welfare of the owners in all sections of Makarios Place, including, but not limited to, the improvement and maintenance of the Common Area, maintenance of street lighting, maintenance of mailboxes and mailbox stands, maintenance of the sprinkling system situated on the Common Area, stormwater detention basins, outlet pipes and water level control structures, and removal of snow from the streets. Each assessment, along with interest, costs, and reasonable attorney fees, shall be the personal responsibility of the Lot Owner at the time the assessment is due. However, the Developer retains the full and unrestricted right to grant temporary exemptions from the obligation to pay these assessments to Builders acting as Lot Owners.

These temporary exemptions will cease under the following conditions: (i) three years after the Developer accepts a deed; upon the Builder transferring the title of the Lot to another party, although the Developer may provide a temporary exemption to the new owner if they are also a Builder or holding the Lot for sale; or when a residence on the Lot is occupied by residents.

Section 9. Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be Seven Hundred Ninety-five and 00/100 Dollars (\$795.00) per Lot.

From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may not be increased each year more than eight percent (8%) above the maximum annual assessment for the prior year, without the vote or written assent of fifty-one percent (51%) of each class of members of the Association.

The Board of Directors of the Association may fix the annual assessment at an amount not in excess of the maximum without the vote or written assent of fifty-one percent (51%) of each class of members of the Association.

Section 10. Special Assessments. In addition to the annual assessment authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, (1) the cost of any construction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto; (2) any budget shortfall; or (3) emergency need of the Association, provided that any such assessment shall have the vote or written assent of fifty-one percent (51%) of each class of members of the Association.

Section 11. Notice and Quorum for Any Action Authorized Under Section 9 and 10. Any action authorized under Sections 9 and 10 shall be taken at a meeting called for that purpose, written notice of which shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. If the proposed action is favored by a majority of the votes cast at such meeting, but such vote is less than the requisite fifty-one percent (51%) of each class of members, members who were not present in person or by proxy may give their assent in writing, providing the same is obtained by the appropriate officers of the Association not later than thirty (30) days from the date of such meeting.

Section 12. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly or yearly basis as the Board of Directors may determine from time to time. However, lots owned by Developer upon which there is no residence constructed and Builders are granted a temporary exception and shall not be subject to annual or special assessments

Section 13. Date of Commencement of Annual or Club Assessments: Due Date. The annual assessments provided for herein shall commence as to all Lots (excepting Lots owned by the Developer) on the date of the close of escrow on the sale of the Lot after the original recording of these Restrictions with the Recorder of Allen County. The Club Assessment, as hereafter defined, shall be assessed initially after an Occupancy Permit

has been secured and the unit has not been declared a model or a spec unit by the builder. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors of the Association shall fix the amount of the annual assessment against each Lot for each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due date shall be established by the Board of Directors of the Association. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 14. Tax Recoupment Assessments. In addition to all other assessments provided for in this Article, the Association may levy in any assessment year, an assessment ("Tax Recoupment Assessment") applicable to that year only for the purpose of defraying, in whole or in part, any cost or expense incurred by the Association in the form of a tax, and/or penalty and/or interest on a tax imposed upon, assumed by or assessed against the Association or its properties, and arising out of or in any way related to the acceptance of title to, the ownership of and/or operation or maintenance of any plant or equipment (including utility lines, lift stations and other property) for the transmission, delivery or furnishing of water, or for the collection, transmission and disposal of liquid and solid waste, and sewage, and/or the ownership of any real estate or easements or other rights with respect to real estate owned and/or possessed in connection with such plant or equipment.

Section 15 Effect of Nonpayment of Assessments: Remedies of the Association. Any assessment (Annual, Special, or Tax Recoupment) not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of ten percent (10%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot. In any successful action, the Association shall be entitled to recover all of its costs and expenses, including attorney's fees. No Owner may waive or otherwise escape liability for the Lot. assessments provided for herein by non-use of the Common Area or abandonment of the Owner's Lot.

Section 16. Subordination of the Lien to Mortgages. The lien of the assessments shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceedings in lieu thereof, shall extinguish the lien for such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Article 5

General Provisions

Section 1. Permits and Certificates. Before any Dwelling Unit located on any Lot may be used or occupied, such user or occupier shall first obtain from the Leo Cedarville Zoning Administrator or Leo Cedarville Plan Commission, or its successor agency, an Improvement Location Permit and a Certificate of Occupancy as required by the Leo Cedarville Zoning Ordinance.

Section 2. Improvements. Before any Dwelling Unit on any Lot in this Subdivision shall be used and occupied as a dwelling or otherwise, the Developer or any subsequent Owner of such Lot shall install improvements serving such Lot as provided in the plans and specifications for such improvements filed with the appropriate governmental authorities, together with any amendments or additions thereto which said governmental authorities may authorize or require. This covenant shall run with the land and be enforceable by any governmental authority having jurisdiction over the Subdivision, by the Association, or by any aggrieved Lot Owner in this Subdivision.

Section 3. Time for Building Completion and Restoration. Every Dwelling Unit on any Lot shall be completed within twelve (12) months after the beginning of such construction. Under no circumstance should vehicles be parked along the public street in the subdivision. Parking for guests and invitees of the owner is permitted for a maximum period of 48 hours. Absolutely no parking in any Cul De Sac during East Allen County School hours of 6:30 am to 5:00 pm.

Section 30. Lawn Furniture and Grills

Lawn furniture and grills may be placed in the backyard only and must fit on the backyard concrete patio or deck.

Section 31. Street Lights

The Town of Leo-Cedarville, upon acceptance of the public streets in the plat, will pay for electricity provided to the street lights. The street lights shall be installed by the Developer. Once installed and accepted, the maintenance and repair of the street lights including but not limited to lamp replacement, is the responsibility of the Association.

Section 32. Street Signs

The Developer shall install the street identification signs and traffic control signs (such as stop and speed limit signs) before the streets are accepted by the town. Once the streets are accepted by the Town, the Town will replace damaged streets and traffic control signs, but only with the standard signs approved by the town. If the Association wants a different style of street identification or traffic control sign from the Town standard. It shall be at the Association's expense. The Plan Commission will determine where traffic control signs are to be located, and then initially installed by the developer before the street is accepted by the town.

Section 33. Snow Removal

The Town will only provide snow and ice removal to public streets in the plat that have been accepted by the Town. Nothing shall prevent the Association from contracting with a private snow and ice removal company or person should it choose to do so.

Section 34. Improvements within Street Right of Way

The Town is not responsible for damage to any private residential improvements or landscaping within the public right of way, including but not limited to lawn irrigation.

Section 35. Subdivision of Lots. No Lot or combination of Lots may be further subdivided unless seventy five percent (75%) of the Lot Owners have approved by signing an instrument of approval and until said approval has been obtained from the Leo Cedarville Plan Commission.

Section 36. Dwelling Unit Exterior. All windows, porches, balconies and exteriors of all Dwelling Units shall at all times be maintained in a neat and orderly manner. No clotheslines or other outside drying or airing facilities shall be permitted

Section 37. Nuisances. No noxious or offensive activity may be carried upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood. Without limiting any of the foregoing, no exterior lights, the principal beam of which shines upon portions of a Lot other than the Lot upon which they are located, or which otherwise cause unreasonable interference with the use and enjoyment of a Lot by the occupants thereof, and no speakers, horns, whistles, bells or other sound devices, shall be located, used or placed on a Lot which are audible, except security devices used exclusively for security purposes which are activated only in emergency situations or for testing thereof.

Section 38. Signs. No sign of any kind shall be displayed to the public view on any Lot except one sign of not more than five (5) square feet, advertising such Lot for sale, or signs used by a builder to advertise such Lot during the construction and sales period.

Section 39. Radio and Television Antennas. No radio or television antenna shall be attached to any Dwelling Unit. No free standing radio or television antenna shall be permitted on any Lot. No television receiving disk or dish that exceeds two (2) feet in diameter shall be permitted on any Lot or on any Dwelling Unit. No solar panels attached or detached shall be permitted.

Section 40. Utility and Drainage Easements. Easement for the installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat. No Owner of any Lot shall erect or grant to any person, firm or corporation, the right, license or privilege to erect or use or permit the use of overhead wires, poles or overhead facilities of any kind for electrical, telephone or television service (except such poles and overhead facilities that may be required at those places where distribution facilities enter and leave the Subdivision). Nothing herein shall be construed to prohibit street lighting or ornamental yard lighting serviced by underground wires or cables. All easements for public and municipal utilities and sewers as dedicated on the face of the plat shall be kept free of all permanent structures and any structure, shrubbery, trees, or other installation thereon, whether temporary or permanent, shall be subject to the paramount right of the entities for which such easements are intended to benefit, to install, repair, maintain or replace their utility or sewage facilities. The removal of any such obstructions by utilities or sewage treatment works shall in no way obligate them in damages or to restore the obstruction to its original form. Electrical service entrance facilities installed for any house or other structure connecting the same to the electrical distribution system of any electric public utility shall be provided by the Owners of all Lots and shall carry not less than three (3) wires and have a capacity of not less than 200 amperes.

Section 41. Surface Drainage. Easements and Common Areas used for drainage purposes as shown on the plat and lot swales, and water quality features, and storm water detention basins located within easements and Common Areas shown on the plat shall be used for drainage purposes are intended for either periodic or occasional use as conductors for the flow of surface water runoff to a suitable outlet, and the land surface shall be constructed and maintained so as to achieve this intention. Such easements shall be maintained in an unobstructed condition and the County Surveyor or a proper public authority having jurisdiction over storm drainage shall have the right to determine if any obstruction exists and to repair and maintain, or to require such repair and maintenance as shall be reasonably necessary to keep the conductors unobstructed and operable. It shall be the responsibility of a homebuyer or such homebuyer's builder to inspect rear and side swales for positive drainage conditions prior to the purchase or transfer of a Lot. The Association shall be responsible for the maintenance of stormwater detention basins. The Developer shall be relieved of any responsibility or liability for the repair of the swales on a Lot following the sale or transfer of the Lot to, in cases where the builder or homeowner has made alterations to the grade that affect the swales.

Section 42. Wetlands Areas. No person shall make or allow, any alteration, improvement, or disturbance in, to or about the soils, vegetation, or hydrology of the delineated wetland without first obtaining the express written consent in the form of a 401 Water Quality Certification from IDEM. Nothing herein shall constitute a waiver of the obligation of any person to comply with all applicable laws and regulations including, without limitation, the applicable laws and regulations of the State of Indiana. Alteration, improvement, or disturbance in, to or about soils, vegetation, or hydrology without express written consent of IDEM will result in enforcement action against the responsible party by IDEM.

Section 43. Maintenance of Lots and Dwelling Units. No Lot and no Dwelling Unit shall be permitted to become overgrown, unsightly or to fall into disrepair. All Dwelling Units shall at all times be kept in good condition and repair and adequately painted or otherwise finished in accordance with specifications established by the Architectural Control Committee. The Owners of Lots Numbered 1 through 38, inclusive, for himself/herself and his/her successors and assigns, hereby grants to the Association, jointly and severally, the right to make any necessary alterations, repairs or maintenance approved by the Architectural Control

Committee to carry out the intent of this provision and they further agree to reimburse the Association for any expenses actually incurred in carrying out the foregoing. The Association may assess and collect such reimbursement in the same manner as it assesses and collects yearly assessments pursuant to Article IV, above, and such amounts shall become a lien upon the Lot and be subject to the same collection rights and remedies granted to the Association in Article IV. The Owners of Lots Numbered 1 thru 38, inclusive, for himself/herself and his/her successors and assigns, hereby grants to the Association, jointly and severally, the right to make any necessary alterations, repairs or maintenance approved by the Architectural Control Committee to carry out the intent of this provision and they further agree to reimburse the Association for any expenses actually incurred in carrying out the foregoing. The Association may assess and collect such reimbursement in the same manner as it assesses and collects yearly assessments pursuant to Article V, above, and such amounts shall become a lien upon the Lot and be subject to the same collection rights and remedies granted to the Association in Article V.

Section 44. Drilling, Refining, Quarrying and Mining Operations. No oil drilling, development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any Lot. No derrick or other structure designed for the use in boring for oil or natural gas shall be erected, maintained or permitted upon any Lot.

Section 45. Use of Public Easements. In addition to the utility easements herein designated, easements in the streets, as shown on this plat, are hereby reserved and granted to the Developer, the Association and any public or quasi-public utility company engaged in supplying one or more of the utility services to install, lay, erect, construct, renew, operate, repair, replace, maintain and remove all and every type of gas main, water main and sewer main (sanitary and/or storm) with all necessary appliances, subject, nevertheless, to all reasonable requirements of any governmental body having jurisdiction thereof as to maintenance and repair of said streets.

Section 46. Sanitary Sewer Restrictions. No rain and storm water runoff or such things as roof water, street pavement and surface water, caused by natural precipitation, shall at any time be discharged into or permitted to flow into the Sanitary Sewage System, which shall be a separate sewer system from the Storm Water and Surface Water Runoff Sewer System. No sanitary sewage shall at any time be discharged or permitted to flow into the above-mentioned Storm Water and Surface Water Runoff Sewer System.

Section 47. Single Owner Contiguous Lots. Whenever two (2) or more contiguous Lots shall be owned by the same person, and such Owner shall desire to use two (2) or more of said Lots as a site for a single Dwelling Unit, said Owner shall apply in writing to the Architectural Control Committee or Board of Directors of the Association for permission to so use said Lots. If permission for such a use shall be granted, the Lots constituting the site for such single Dwelling Unit shall be treated as a single Lot for the purpose of applying these Restrictions to said Lots, so long as the Lots remain improved with one single Dwelling Unit. Notwithstanding the foregoing, each of the Lots constituting the site for such a single Dwelling Unit shall remain as individual Lots for purposes of all assessments permitted by the terms of these Restrictions. As such, the Owner will be assessed for each Lot used as a site for a single Dwelling Unit.

Section 48. Enforceability. The Association, any Owner and the Developer shall each have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of these Restrictions. Failure by the Association, or the Developer to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the

right to do so thereafter, and shall not operate to deprive an Owner from enforcing said covenant or restriction.

Section 49. Right of Entry. The Developer, the Architectural Control Committee, and the Association, acting through their respective representatives, shall have the right, during reasonable hours, to enter upon and inspect the Lot and Dwelling Unit, whether prior to, during, or after the completion of, any construction, for purpose of determining whether or not the provisions of these restrictions are being complied with and exercising all rights and powers conferred upon the Developer, the Architectural Control Committee, and the Association with respect to the enforcement or correction or remedy of any failure of the Owner to observe these restrictions, and the Developer, the Architectural Control Committee, and the Association and such representatives shall not be deemed to have committed a trespass as a result thereof. Notwithstanding the foregoing, an occupied Dwelling Unit may not be entered hereunder unless written notice of such proposed entry shall have been given to the Owner at least five (5) days prior to such entry.

Section 50. Partial Invalidation. If any one of these Restrictions is invalidated by a judgment or court order, it shall not impact the validity of the remaining provisions, which will continue to be in full force and effect.

Section 51. Covenants, Restrictions and Extensions. The covenants and restrictions herein contained shall run with the land, and be effective for a term of twenty (20) years from the date these Restrictions are recorded, after which time they shall automatically be extended for successive periods of ten (10) years; provided these Restrictions may be amended by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners, and provided further, the Developer, its successors or assigns shall, with the approval of the Leo Cedarville Plan Commission, have the exclusive right for a period of three (3) years from the date of recording of these Restrictions to amend any of the Covenants and Restrictions.

Section 52. Cost and Attorney's Fees. In the event the Association or Developer, is successful in any proceeding, whether at law or in equity, brought to enforce any restriction, covenant, limitation, easement, condition, reservation, lien, assessment or charge now or subsequently imposed by the provisions of these Covenants, they shall be entitled to recover from the party against whom the proceeding was brought, the attorney fees and related costs and expenses incurred in such proceeding.

Section 53. Annexation. Additional properties may be annexed by the Developer and made subject to this Declaration. Said additional properties may be developed for single family residences. Said annexation may be perfected without the consent of the Owners.

Section 54 Flood Protection Grade.

The minimum flood protection grades referenced below shall establish the minimum sill or window opening to the structure. In order to minimize potential damages from surface water, flood protection grades (FPG) are established as set forth on the attached plat as follows:

All Dwelling Units to be constructed on the Lots designated herein shall be constructed at or above the minimum flood protection grades; such grades shall be the minimum elevation of a first floor or the minimum

sill elevation of any opening below the first floor as shown on the recorded plat of this Subdivision. All Dwelling Units shall be constructed in accordance with the current FEMA regulations.
